## Young Dog Handling..Novice/Open

This Workshop is for young dogs with jumps, tunnels and fun sequences to build speed and confidence and for those who are thinking about entering their first agility trial. Building your handling skills in Novice/Open will last you a life time in agility. Come on out and learn the basics to make handling for you and your dog a breeze. Lauren will go through the handling of each kind of cross and the various challenges seen in the Novice/Open level courses. She will work with each handler at their level.

## Lauren Blackson

**Lauren Blackson has been competing in dog agility with her border collies for the last 13 years. She has attended both AKC and USDAA Nationals multiple times with various dogs, making it into the Steeplechase and Grand Prix semi finals on multiple occasions. She placed 5th in Snooker and 4th in Gamblers at the USDAA world Cynosport games this past year (2018) with her border collie, Karma. In addition to competing in agility, Lauren has been teaching all levels of agility from fundamentals through the Masters level for many years.**

**When Lauren is not competing in agility, she is working as a full time rehabilitation veterinarian in the Philadelphia area.**
